Sacoma International, LLC Recognized for Achievements at CYT Annual Supplier Conference

Edinburgh, IN – (April 29, 2016) – Sacoma International LLC (Sacoma), of Edinburgh, IN has been recognized for outstanding performance in Quality, Productivity, and Delivery by Cardington Yutaka Technologies (CYT) at their annual Supplier Conference in Waldo, OH. The honor was accepted by Kurt Nunemaker, Sacoma's Director of Business Development. Sacoma was the only supplier recognized for their achievement in all three categories. Sacoma was acquired by Tru-Flex in West Lebanon, IN in November 2015.

"The Sacoma Team is very honored to be recognized by Cardington Yutaka Technologies, North American Yutaka Group. We take pride in providing excellent service to all of our customers in terms of Quality, Cost Savings, and Delivery. We look forward to our continued relationship with our business partner CYT and we thank them for the opportunity to be in their supply base," says Nunemaker of the achievement award.

About Sacoma

Sacoma is an engineering-focused lean manufacturing company with a wide range of design, fabrication and assembly capabilities. The company primarily manufactures metal component modules for the automotive industry. Sacoma has strong customer relationships with global leaders in automotive and heavy duty engine production.

About Tru-Flex

Headquartered in West Lebanon, IN, Tru-Flex is the leader in the design and manufacture of stripwound interlocked and corrugated flexible metal hoses. Its product line spans across many industrial applications and flexible metal exhaust uses, with clients ranging from small businesses to large corporations located all over the world.
